Your face, does it wear the contraied expression of good health, or are the features drawn and pallid? In the latter case, your story is read by all who seeyou, and what woman of solrit wants to be pitted for her physical condition? There is a way to get the norvous, tred lines out of your face and the slump out of your body. The use of that gamdard remedy, Lydia E. Pinkham's Vegetable Compound, will strengthen the nerves and tone up the system to resist that expenses of these systems are the considered.
